CONDITIONS OF SALE - CONGRESS SUPER SALE

FIRST - The Congress Super Sale is held in conjunction with the All American Quarter Horse Congress. Buyer hereby acknowledges that The Ohio Quarter Horse Association, hereinafter referred to as "OQHA", and PrimeTIME AgriMarketing NETWORK, INC., hereinafter referred to as "PTAMN" are not responsible for the warranties of the Consignor. Hereinafter, OQHA and PTAMN, collectively, shall be referred to as "Auction Management".

SECOND - Horses are offered for sale according to the laws of the State of Ohio. Rights of consignors to bid are reserved unless otherwise announced.

THIRD - There is no warranty expressed or implied by the sales management, auctioneer, sponsors, owner or consignor, as to the performing soundness, merchantability or fitness for any particular purpose of any horse offered in this sale, other than those made specifically by the consignor. All horses are sold "as is" with all existing conditions and defects, except as set forth below in conditions 12, 13, 14 & 15.

FOURTH - A - Terms of settlement are outlined herein on Page 17. ALL BIDDERS, including those representing others, must register with PTAMN in person or online. All payments for horses, fees, and taxes are to be made to PTAMN during the auction, immediately after, or upon request. In no case may any part of the purchase price be paid directly to the consignor by the purchaser and such payment shall not be valid or entitle the buyer to obtain the horse. Buyer agrees not to stop payment on check for any reason. A fee of \$50.00 will be charged on any check that is returned. Ohio Sales Tax of 7.5% will be charged on all purchases unless buyer is properly exempt.

FOURTH - B - Congress Super Sale Yearling Sale Stakes. To be eligible for the Congress Super Sale Yearling Sale Stakes classes, a yearling must be entered in the Yearling Sale Stakes session and be offered through the sale ring. To remain eligible to show in the Yearling Sale Stakes classes the buyer must pay the sustaining fee of \$250 by 2PM the day AFTER the auction. For a yearling that is not sold to remain eligible, the seller must pay full commissions and premiums/fees plus the \$250 sustaining fee as outlined on page 12.

FIFTH - Bidding Procedure: The person making the highest bid recognized by the Auctioneer shall be the buyer. PTAMN shall immediately present the buyer with a document entitled Acknowledgement of Purchase for signature. Should such presentation not be made prior to commencement of bidding on the next lot offered, the buyer shall forthwith identify himself/herself to auctioneer as buyer and sign Acknowledgement of Purchase. In the event that a person other than the recognized buyer signs the Acknowledgement of Purchase, such action shall not give such other person any right or title, and immediately that such erroneous signing of the Acknowledgement of Purchase becomes known to the auctioneer, he shall cause the Acknowledgement of Purchase to be presented to the recognized buyer for signature. If the highest bidder fails to immediately execute the Acknowledgement of Purchase or otherwise fails to comply with the Conditions of Sale, or in the event of a mistake by the Auctioneer, PTAMN reserves the option to re-sell the animal and such resale shall terminate all obligations of PTAMN and consignor to honor any bid. The Auctioneer has the right to decline any bids made by parties who have defaulted in former purchases or by persons, who in his judgment, are not responsible bidders.

SIXTH - RESERVE AUCTION - This is a Reserve Auction, unless otherwise announced for a specific horse. The right of the seller to bid on their own horse, through the auctioneer or otherwise, is expressly reserved. The auctioneers and PTAMN or its representatives, reserve the right to bid, whether on behalf of a Seller for any minimums or reserves, as well as for their own personal purchase.

SEVENTH - BUYERS ASSUME ALL EXPENSES AND RISKS ON HORSES AFTER ACKNOWLEDGING PURCHASE. Upon receiving payment for the horse the cashier will issue a receipt. Buyer must present their copy of the receipt to security at the time the horse is removed from the grounds. All horses must be removed from sale stalls by 9PM the day following the auction. Failure to remove the horse for any reason will obligate the buyer to pay all costs associated with board and transportation of the horse. Buyer is responsible for the care of the horse immediately after the fall of the hammer.

EIGHTH - All registration papers will be withheld by the Auction Management until all checks clear the bank (approximately 21 days) at which time they will be mailed, with completed transfer reports to AQHA for Quarter Horses, and to the buyer for other breeds. NOTE: If any buyer desires to obtain papers immediately, horses must be paid for with cash or cashier's check.

NINTH - IF ANY PERSON SHALL PURCHASE A HORSE AND NOT PAY FOR IT AS PRESCRIBED ABOVE, the Auction Management or consignor shall have the right to resell the horse, or at their option, bring legal action in which event buyer agrees to pay all cost of such suit together with reasonable attorney fees as fixed by the court. In the event of resale the defaulting buyer agrees to pay all costs of resale and price deficiency, if any. Interest of 1-1/2% per month will be charged on the unpaid balance of any account not paid for as set forth in these conditions.

TENTH - Every effort has been made to assure correctness of the catalog but the Auction Management and auctioneers are not responsible for errors or omissions and assume no liability on the part of the seller as to any such statements, either verbal or written regarding horses sold. All statements and corrections at the sale will supersede the catalog.

ELEVENTH - The Auction Management, auctioneers and staff do not act for or represent the buyer or seller, but merely provide a medium for bringing together the buyer and seller for the purpose of sales transactions. PTAMN and sales personnel assume no responsibility whatsoever to anyone for blemishes, defects, the physical condition or health of any horse and makes no warranties or representations of any kind in the sale. The Consignor hereby specifically waives all implied warranties of fitness and merchantability. ALL RESPONSIBILITY FOR REPRESENTATIONS LIES BETWEEN THE CONSIGNOR AND THE BUYER.

TWELFTH - As to horses descended from the stallion, IMPRESSIVE, AQHA Registration No. 0767246, if they have been tested for HYPP ("Hyperkalemic Periodic Paralysis"), the results of the test, if disclosed to PTAMN, are shown with the other information concerning the horses. If such horses have not been so tested, the designation "Not tested for HYPP" is disclosed along with the other information concerning the particular horse.

THIRTEENTH - Broodmares are guaranteed only to have been bred to stallions as indicated. No guarantee is made of pregnancy status or eventual foaling unless made specifically by consignor. No return privileges or live foal guarantees accompany mares unless stated by consignor with proof in writing of such agreement issued by stallion owner. Each broodmare selling as bred to a stallion will have been examined by a veterinarian within 10 (ten) days of the Sale Date and reported at the sale as “in foal”, “open or barren”, or “bred” (meaning an insufficient amount of time has passed to determine pregnancy). Any purchaser of a broodmare sold in this sale may have the mare examined by an acceptable veterinarian within 12 hours after the start of the session in which the horse sells and before the horse leaves the sale premises. Any broodmare so examined whose pregnancy or breeding soundness status is found not to be as represented at the time of sale, may be returned to the consignor as unsold, and the consignor shall pay veterinarian’s fee for examination.

FOURTEENTH - Consignor has the responsibility to notify the sales management in writing prior to the sale of any unsoundness of any nature known to him and they will be announced at time of sale. Consignor also warrants that horse is not suffering from any contagious or infectious diseases and has not been given drugs to alter soundness or temperament; and agrees to disclose if any drug or medication is being administered to the horse for the maintenance of any condition. **BUYER HAS THE RIGHT TO HAVE A LIMITED VETERINARY EXAMINATION WITHIN 12 HOURS OF THE START OF THE SALE AND BEFORE THE HORSE LEAVES THE SALE PREMISES.** If a qualified veterinarian finds the horse not to be sound for the advertised purpose, and presents a certificate stating such to PTAMN within the 12 hour period, the consignor will accept the return of horse as unsold and hereby authorizes PTAMN to refund the purchase price. This examination will be limited to moving the horse for soundness on riding horses, and checking the reproductive tract on breeding horses. Positive reaction to flexion tests and hoof testers does not constitute unsoundness, if the horse is moving sound. These tests should be a part of a pre-purchase examination. **THE BUYER HAS THE RESPONSIBILITY TO EXAMINE HORSES BEFORE BIDDING.**

FIFTEENTH - The consignor has the responsibility to notify the sales management in writing prior to the sale of the fact that the horse is a cribber, a weaver, unsound of eyes or wind, a cryptorchid, monorchid or ridgling, parrot mouthed, has had major surgery or a serious illness, has been nerved, has foundered prior to this Sale, has a lameness due to navicular disorder, osteoarthritis of a joint or other bone abnormality, or a neurological disorder including but not limited to EPM or wobbles, and these conditions must be stated in the catalog or announced when the horse is sold. If a buyer discovers such a condition in the horse which was not stated to the sales management by the consignor, as required and specified above, and NOT disclosed at the time of the sale, and the horse has such a condition at the time of sale, and if the buyer delivers to PTAMN a **WRITTEN STATEMENT FROM A QUALIFIED VETERINARIAN** within five (5) days of the date of the sale establishing the existence of the condition in detail, the consignor agrees to accept the return of the horse and hereby authorizes PTAMN to refund the purchase price.

SIXTEENTH - If the consignor disputes the diagnosis by the buyer's veterinarian for conditions stated in Condition Fifteenth above, that were not stated in the catalog or disclosed before the horse was sold, then PTAMN may appoint an equine veterinarian of its choice to determine the condition of the horse. The examination of the appointed veterinarian shall be limited to the disputed condition. The appointed veterinarian may inspect the horse and may apply such diagnostic testing and procedures as deemed to be appropriate. The appointed veterinarian may also confer with the consignor and the buyer and the buyer's veterinarian, and may review available veterinary medical history including conferring with prior veterinarians having knowledge of the horse, and may review the report and supporting information supplied by the buyer's veterinarian. The decision of the appointed veterinarian shall be final in all respects and PTAMN shall allow or disallow the rejection of the horse by the buyer consistent with the opinion of the appointed veterinarian. The buyer has the duty to present the horse for examination with the appointed veterinarian in cooperation with the veterinarian's schedule and has the duty to provide board, necessary farrier and veterinary care, and transportation until the dispute is resolved. The appointed veterinarian shall be within a reasonable proximity to the buyer. If rejection by the buyer is allowed by PTAMN, the consignor shall pay the cost of services of the appointed veterinarian and the buyer may recover from consignor any direct costs related to care of the horse. Risk of loss passes back to consignor immediately upon notice of decision by PTAMN to allow rejection by the buyer and consignor shall immediately make arrangements to take possession of the horse.

SEVENTEENTH - In the event a horse is returned to the consignor in accordance with the conditions 12, 13, 14 & 15, the consignor agrees to pay all reasonable costs involved with the sale and return of the horse, including transportation, board and appropriate sale fees. If legal action is initiated by any party, for any horse entered in this auction, the Seller and Buyer, jointly and severally, agree to indemnify PTAMN, from such suit including legal fees and all related costs incurred by PTAMN.

EIGHTEENTH - Auction Management shall not be bound by any oral or written agreement or alleged agreement varying from these **CONDITIONS OF SALE** between the buyer and the consignor unless agreed to by the Auction Management, and any controversy or claim between the buyer and the seller arising under any such agreement shall be a matter for their resolution.

NINETEENTH - Buyers and spectators are cautioned to be careful while on the grounds and particularly while horses are being sold or shown in the sale ring. OQHA (Ohio Quarter Horse Association), the officers, staff and employees of OQHA, and PTAMN and its staff and employees, are not responsible for accidents, injuries or loss of property.

TWENTIETH - Admission to the premises constitutes your agreement to be photographed, filmed, videotaped or otherwise recorded in connection with the shows and sales and other events at the All American Quarter Horse Congress and related activities and your agreement that your likeness and voice may be broadcast, distributed or displayed in connection with any promotion created from these events without any compensation being paid to you. The taking of photographs and the making of drawings or paintings of the Congress Super Sale and related activities are permitted for personal use only. All commercial uses are prohibited without the express written consent of OQHA.

TWENTY-FIRST - Ohio Exposition Center assumes no responsibility for the sale.

Notes: NOTES: Rio is a 3YO gelding that stands 14.2 hands and is an excellent ranch horse. He works well in the arena and off your legs. Traffic does not excite him due to his super-nice personality as he is always first to meet you in the pasture. Rio is athletic and ready to start his career as a ranch horse. His sire is HVR SMOKIN PEPPY DOC, Son of LITTLE PEPPY SMOKE, NCHA \$3,319 AQHA \$3,413 and an AQHA point-earner and sire of 12 money-earners, 10 AQHA point-earners, including LITTLE SMOKE STORM (\$19,494 and 27 AQHA points: Carolina Classic Reining Open Derby Champion), HVR LIL PEPPY SMOKE (NCHA Certificate of Ability), LIL TEDDI (finalist Congress Limited Open Reining Futurity), HVR PEPPY TWIST (62 AQHA points: 5th AQHA High Point Youth Reining), TARGETS ADVOCATE (NRHA money-earner), HVR CEE ME WORK (NCHA money-earner), HVR PEPPY DORRIE (NRHA money-earner), SQUAWS PEPPY (AQHA point-earner: 6th Ohio Valley RHA Futurity Limited Open). Notes: "Laredo" is a 9-year-old registered buckskin gelding with the disposition, eye appeal, and training that checks all the boxes. He is stocky made with good bone and is built to last. Laredo has done it all from arena riding to babysitting the beginners. He's kid-safe, quiet-minded, and meets every ride with the same steady, dependable attitude. Laredo has a willing, "yes sir" mindset that makes him a pleasure to be around. This gelding is versatile: soft in the face, moves off leg pressure, neck reins, side-passes, ground ties, and trailer loads with zero fuss. He's just as comfortable in the arena (English or Western) as he is out on the trail or in the pasture. Laredo confidently handles all the trail and ranch obstacles: bullwhips, gunfire, tarps, flags, water, bridges — none of it phases him. If you're looking for a solid, trustworthy gelding with all the hard work done, and a kind, willing nature that fits the whole family, Laredo is your man.

Mickey

Notes: NOTES: "Mickey" is a gelding with the kind of personality that makes him instantly part of the family. He earned his name from our daughter who insisted he be named after Mickey Mouse. And he lives up to it with his fun, family-friendly personality. He craves just about the same attention as the family dog and he'll even sit and lay down like one. He's always careful and steady on the trail, yet broke and versatile enough to step into the arena and go to work. Mickey has the mind of a horse twice his age and is very receptive to what's asked of him. In the arena he's a blast to ride, with a deep stop off your seat, a correct and fun turn around, and the ability to move off your leg with ease. He's been tracking the roping sled and shows all the potential to step up as a rope horse prospect, but he's just as comfortable loping pretty circles, stretching into a long trot, or carrying himself softly in English tack. With his willingness to frame up and stay soft, Mickey could just as easily go in a dressage direction, making him a truly versatile all-around partner—western, English, dressage, ranch, or trail. Not looking for a performance horse? Mickey is just as happy to stroll down the trail on a loose rein, taking care of riders of any level. Mickey takes every obstacle in stride – teeter totter bridge, cowboy curtain, tarps, whips, gunfire, and flags are all old news to him. What makes Mickey extra special is his loving personality. He adores people of all ages and has been nothing but kind and gentle with our kids. He has that rare combination of being broke, dependable, and safe, while affectionate in a way that makes him irresistible to be around. Around the barn, Mickey is a joy. He's been kept in a stall and turned out on pasture with no bad habits. Pictures don't do him justice. His kind-eye, flashy look, and solid build really shine in person. He has plenty of foot and bone to last, setting him up for a long and successful career. Gentle, flashy, broke, and full of heart, Mickey is the kind of horse that can go in any direction. Whether you're looking for a dependable family horse, a solid trail partner, or a versatile gelding with western, English, or dressage potential, Mickey has the talent and mind to get you there.

Notes: Big Jake is an 11YO gelding from 5 decades of breeding in the program of Gordon Clippinger and Sons. He stems from ranch, rope, and performance horse lineage and he stands 15.1 hands. Jake has been used in the arena for roping and dragging calves and also has rein-cow horse training. He has been used for trail riding and will cross logs, creeks, and traffic safely. Jake is a very easy horse to be around with his good mind for anyone with any level rider. Built to do a days work or fun out on the trails.

Notes: Steel has a resume far beyond his years. He's been pasture roped on, logged countless miles through thick brush and rough terrain, and been put into high-stress ranch situations that many horses twice his age have never experienced. From deer jumping up in the woods to equipment clattering down the road, Steel stays calm, focused, and steady. He's got a good one-hand neck rein, is soft in the bridle, and responsive to both leg and seat cues. He's handy with all the buttons—side pass, turn around, leg yield—but if you don't want a performance horse, he's just as content to relax and enjoy the trail. One of Steel's best qualities is his versatility with riders. He has been ridden by every level of rider, from confident hands to those still learning, and he's always willing to "take a joke" without holding it against you. That steady, forgiving temperament makes him the kind you can put your trust in. Steel is also a great size—easy to mount and dismount, yet sturdy and strong enough to carry an adult with ease. His kind and gentle temperament makes him safe to be around both in and out of the saddle, and his straightforward, no-nonsense attitude makes him the kind of horse that settles in anywhere. He hauls, ties, and stands for the farrier without a fuss, making him as easy to manage as he is to ride. Steel has been nothing short of a pleasure to work with since he stepped foot on our property. With his willing attitude, real-world ranch experience, and stylish good looks, he's the kind of horse you can count on to keep things calm and steady no matter the setting. If you're after a reliable partner with a kind heart and more life experience than most, then this is a great horse for you.
